From the Principal's Desk

Firstly a warm welcome back to all students and families and especially the new families that have started with us this week! We have enrolled about ten students across all year levels and I'm sure they would have all received a Hero welcome from our staff, students and families. Seven of our students have moved on to new schools over the holidays and we wish them all the best in their new settings.

We had a fun and busy finish to the end of Term 1 with the Fun Run, Hero Day and 'tape the Principal to the wall'. Thank you to everyone who purchased tape for a \$1 a metre and in turn donated funds to assist the juniors in attending the 'We are going on a Bear Hunt' show at the Empire Theatre. We raised over \$140 and I was well and truly stuck to the wall and it took quite a bit of wiggling and squirming to get out of the tape! Thank you also to the P&C who have committed to financially supporting the juniors in this and other excursions this year.

Term 2 is always a busy term with many events happening from three public holidays, NAPLAN, Athletics Carnivals and Semester 1 reporting. In consultation with staff and the P&C, we have decided to modify our reporting policy to better suit our students and families. You will notice differences when you receive your child/ren's report card on Thursday of the last week of term. The major difference will be that comments will be condensed and easier to read. We are keeping with the department's reporting policy, while providing families with a streamlined report that uses common sense language and clearly explains how individual students can progress in English and Mathematics.

ANZAC DAY SERVICE

On Monday 24th April we will be holding an ANZAC Day service here in the new hall from 2pm. All families are welcome and please extend this invite to any other community members who would like to attend. The school captains and I will also be representing the school at the ANZAC Day Service held at the Mothers Memorial on ANZAC day at 8.30am.

TERM 2 CALENDAR

The Term 2 Calendar is included in this newsletter and will be updated as future events and dates are confirmed.

SCHOOL PHOTOS

The 2017 school photos will be taken tomorrow Friday 21st April in the new hall. If you have not returned your order forms please do so ASAP. More order forms are available in the office. Can I please encourage all students to wear the correct uniform on the day, as it's a great chance to show pride in our uniform and school, and capture memories of 2017 in a photograph that will last for a very long time.

COLOUR FUN RUN

I am thrilled to announce that our School Colour Fun Run was a huge success! With your assistance we were able to raise \$3700 which will be used to purchase new equipment for students to use throughout the coming year.

On behalf of Harristown I would like to thank the school community for your valuable time and effort given to ensure the success of this year's School Colour Fun Run. It was wonderful to see the spirit and enthusiasm that was displayed in supporting our school, and of course the smiles on the students' faces!

CARNIVAL DAYS

Our annual athletics field day will be held on the 14th June and the annual sprint carnival will be held on the 20th June. The Field Day is at our school and is opened to any 9 - 12year old students. Our sprint carnival is a whole school event held at Concordia on their bottom oval. Training days will be held for various events during this term and will be announced at school. Students are welcome to come and participate in these.

CLASS LESSONS

This term we will be focusing on athletics and the different disciplines that are involved. This means more time on the oval in the sun. Please make sure your child has a hat for school.

Cirriculum News - Mrs Schmidt

At Harristown, our approach to NAPLAN preparation is simple. Each teacher from Prep to Year 6 is committed to preparing their students for success by carefully planning and delivering the curriculum for that year level, differentiation to meet the range of learning needs in their class and closely monitoring achievement. Congratulations to our Year 3 and 5 students (and their teachers) for their terrific preparation in the lead-up to these tests.

Some NAPLAN tips for parents of students in Years 3 and 5:

- * keep things at home relaxed (NAPLAN is just another test that students do at school)
- * try to make sure your child gets a good sleep the night before
- * make sure your child eats a good breakfast
- * if your child needs to wear glasses, make sure they have them packed and that they are cleaned
- * celebrate your child's best efforts on the day
- * most importantly, make sure your child is in their classroom at the first bell (8:45).

If you have any concerns regarding your child's participation in NAPLAN, please speak to your child's classroom teacher.
