There are only three weeks left of school and it is a very important time for students to be thinking about their behaviours and working hard to ensure they keep on track and make it to our Hero Day in the last week of school!

Report Cards
Teachers are working on report cards at the moment and they will be sent home with students in the last week of school.

Staff Car park
A reminder that the South Street car park is strictly for staff use only. This is an unsafe area for parents to drop off students and there have been a number of parents parking or dropping off students in the staff carpark over the past weeks. The police will be called to speak with parents who continue to use this area as a park or drop off area.

Pedestrian Crossings
A reminder to students to use one of the crossing areas we have around our school. It is not safe for students to cross the road anywhere other than at the pedestrian crossings, we have had a few close calls lately and I don’t want to see an accident occurring where one of our students is hit by a car.

TRAFFIC MATTERS - Cons Rebekah
Drivers are reminded that the school speed zones are 40km. For the safety of your children and others please respect that speed during school times -

- South Street from HSS to Concordia College is 40km ALL DAY from 7am - 4pm.
- Burton, Warwick, Memory, Hennessy and Stephen Streets are 40km from 7-9am and 2-4pm.

Speeding puts your child and other children’s lives at risk. Speeding fines of $146 - $1026 apply.

The continuous yellow edge line marking in Hennessy St on the HSHS side of the road and in Warwick Street at the corner of Burton Street on both sides of the road (school side) indicates a no stopping zone at ANYTIME - a $44 infringement notice applies.

Stopping in a No Stopping or No Parking sign zone - a $44 infringement notice applies. The 2 minute stopping zones on South Street between HSS and HSHS and on Hennessy Street at the HSHS pool are PICK UP AND DROP OFF zones - drivers who park and wait for their children to arrive hold up traffic and cause problems, so please park elsewhere if your children are not vigilant about being on time - a $44 infringement notice applies.

Thank you for your continued cooperation in this matter to keep all safe.

Wow! What a fantastic day had by our Lower Primary children, staff and parents! We had a morning of craft, face painting, box construction, collage and many more activities. The children and their parents participated in an amazing obstacle course and visited the fire truck. It was fantastic to have pirates and princesses everywhere at HSS. A huge thank you to the staff and volunteers who set up, co-ordinated activities, and packed up at the end of the morning. Thank you to the wonderful parents and family members who came to our morning and the P&C for providing a healthy and delicious morning tea for all students. More photos will be up in the SSC building, feel free to come and have a look at them.

Sports Update - Mrs Williams

NRL Development Day

On Wednesday the 25th of May a group of our students, boys and girls, participated in the NRL Football Development Cup held at Valleys. We were one of the few schools who managed to enter a team in A & B Division (boys) as well as a girls’ team. Altogether 32 students participated.

Our teams played with enthusiasm and determination and as the day progressed, so did their confidence and team work. New skills were learnt and everyone looked out for each other on the field. Vincent and Deshaun captained the team well and special mention goes to Jack who when jokingly asked to score a hat trick of tries, actually did it in the last game!

The girls took their new learnt skills on to the field and tackled hard, while the boys looked on and cheered. Mrs Little and I were very proud of all our players, especially when they faced some tough opposition such as the St Mary's boys. They never gave up. Everyone turned up with an attitude to gain the most from the day and that objective was achieved.
Carnivals

June the 14th is our Senior Field Event Carnival. This will start at 9am and events will go all day.
